These numbers are pre-assigned to specific prizes in a secure, randomised database prior to the commencement of the Contest. Winning numbers and their corresponding prizes are predetermined and publicly published on our website to ensure transparency. If a participant's randomly assigned number matches one of the winning numbers, they instantly win the associated prize. All prizes are awarded on a first-come, first-served basis according to valid claims. Winners will be notified onscreen and by email (as applicable) with instructions to claim the prize. Unless otherwise stated, winners must complete all required steps (including identity verification) within 14 days of notification.

If a Major Instant Prize is not validly claimed within the claim period, a redraw will be conducted in accordance with sub-clause a of the Unclaimed and Unawarded Prizes section. If a Minor Instant Prize is not validly claimed within the claim period, the prize will be forfeited and dealt with in accordance with sub-clause b of the Unclaimed and Unawarded Prizes section.

All entries associated with any entrant deemed by the Promoter (Motor Culture Australia Pty Ltd) to have provided incorrect, misleading, or fraudulent information may, at the Promoter's discretion, be deemed invalid.

The Promoter reserves the right to request that an entrant produce (within the time requested) appropriate photo identification or other documentation (to the Promoter's satisfaction, in its sole discretion) to confirm the entrant's:
identity, age, and residential address;
eligibility to enter and claim a prize (including confirmation of active VIP membership where applicable); and
accuracy of any information submitted in connection with the promotion.

If any documentation required by the Promoter is not received within the requested timeframe, or if an entrant's details or entries cannot be verified to the Promoter's satisfaction, the entrant may be deemed ineligible, and their entries may be declared invalid.

The Promoter reserves the right to verify the validity of any and all entries and reserves the right to disqualify any entrant for:
(a) tampering with the entry, game mechanics, or winner verification process;
(b) submitting an entry not in accordance with these Terms and Conditions; or
(c) engaging in any unlawful, misleading, or improper conduct calculated to jeopardise the fair and proper conduct of the promotion.

The Promoter's legal rights to recover damages or other compensation from any offender are reserved.

A prize will only be awarded following successful validation and verification of the winner's eligibility and compliance with these Terms and Conditions, as determined by the Promoter or its nominated agents, in their sole discretion.

The Promoter reserves the right to request that a winner and, if applicable, their companion(s) produce appropriate photo identification or other documentation (to the Promoter's satisfaction) in order to confirm identity and age before awarding a prize.

It is a condition of accepting a prize that each winner (and any companion, if applicable) sign a Prize Acceptance Form, eligibility declaration, and/or legal release as required by the Promoter in its discretion.

Unclaimed and Unawarded Prizes

The Promotion contains three categories of prize, each of which is subject to different unclaimed-prize rules reflecting the structure of the relevant draw:
the VIP Only Second Chance Draw prize, which is a drawn prize and is governed by the VIP Only Second Chance Draw clause above;
Major Instant Prizes, being the prizes identified as "Major" in the prize table; and
Minor Instant Prizes, being the prizes identified as "Minor" in the prize table.

a. Unclaimed Major Instant Prizes

A Major Instant Prize is deemed unclaimed if the winner does not validly claim the prize in accordance with these Terms and Conditions within 90 days of being notified, despite the Promoter having made reasonable attempts to contact the winner using the contact details supplied at entry.

Where a Major Instant Prize is deemed unclaimed, the Promoter will conduct a redraw using a third-party government-approved electronic draw system. The redraw will take place at 5:30pm AEST on the 23rd of March 2027, at Motor Culture Australia, 3B 50 Manton St, Morningside QLD 4170. The redrawn winner will be contacted immediately by phone and email, and their first name, last name initial, and postcode will be published on Motor Culture Australia's website on the 24th of March 2027.

If a Major Instant Prize remains unclaimed after the redraw, the Promoter may conduct further redraws or otherwise deal with the prize in accordance with applicable State and Territory laws and any regulatory directions.

b. Unclaimed Minor Instant Prizes

Minor Instant Prizes are won at the moment of play and are subject to verification by the Promoter. To claim a Minor Instant Prize, a winner must (i) respond to the Promoter's verification request within 14 days of being notified, (ii) provide such proof of identity, age, residency and eligibility as the Promoter reasonably requires, and (iii) provide delivery details (where applicable) within 30 days of notification.

Where a Minor Instant Prize winner:
(a) does not respond to verification requests within 14 days of being notified;
(b) fails verification;
(c) cannot be contacted using the contact details supplied at entry, despite the Promoter making at least two contact attempts via email and/or SMS;
(d) declines the prize; or
(e) otherwise fails to claim the Minor Instant Prize within 30 days of notification,
the winner forfeits all rights to the Minor Instant Prize and no compensation or substitute prize is payable. The Promoter may dispose of any forfeited Minor Instant Prize in any appropriate manner, including (without limitation) allocating the prize to a subsequent promotion conducted by the Promoter, allocating the value to the VIP Only Second Chance Draw prize pool, awarding the prize or a substitute prize of equal or greater value to another Member through a further draw, donating the prize to a registered charity, retaining the prize, or in any other manner the Promoter deems appropriate. The Promoter is not obliged to redraw forfeited Minor Instant Prizes.

c. Unawarded prizes

The Promotion makes available up to the number and value of prizes advertised in the prize table. Prizes are available to be won during the Promotion Period subject to the receipt of valid winning entries in accordance with these Terms and Conditions. Any prize that is not triggered by a winning entry, that is rendered invalid through system or entry non-compliance, or that otherwise remains undistributed at the conclusion of the Promotion Period is an unawarded prize and will not be carried forward beyond the Promotion Period. For the avoidance of doubt, an unawarded prize is distinct from an unclaimed prize. An unclaimed prize is a prize that was won (whether by draw or instant-win) but was not validly claimed. An unawarded prize is a prize that was never won.

Records and compliance
The Promoter will maintain appropriate records of all awarded, unclaimed, forfeited and unawarded prizes in accordance with applicable state and territory regulations.

Nothing in this clause affects the Promoter's separate obligations in relation to unclaimed prizes, which shall be dealt with in accordance with the requirements and timelines prescribed by the applicable laws of each Australian State and Territory.
